

How UNITED AMERICAN INDIAN INVOLVEMENT is Supporting Our Community During the COVID Crisis

Beginning Thursday, March 19th until further notice, United American Indian Involvement, inc. will limit services and staff that are onsite. This is subject to change. Additionally, all workshops, talking circles, and Community meetings are hereby canceled until further notice. The UAII Community Center is closed to the public.

What services are still available for community members?

UAII COMMUNITY CLINIC - OPEN BY APPOINTMENT ONLY

- Is still operating their normal Clinic hours on Wednesday through Friday **by appointment only**. A phone triage system is also in place so that clinic patients can speak with an RN and determine for the safety of themselves and staff if an appointment is medically urgent and necessary at this moment or can be rescheduled at a later date.

LOS ANGELES AMERICAN INDIAN HEALTH PROJECT

- Case Management and Health Educators are working remotely to reach out to clients to check-in on those that may be isolated and need support or assistance.
- Diabetes education is in the process of converting curriculum to run virtually to offer social engagement and education to clients.

WORKFORCE DEVELOPMENT OFFICE - Closed however all staff are working remote.

- **Workforce Specialists (remote only)**- All Workforce Specialists are working remote their normal hours and available via email or cell phone. Please reach out to your specialist should you need any assistance; we are still here to assist through this trying time.
- **Orientation**- Monday- Friday @ 11am- Virtual, log onto the link to schedule to attend <http://bit.ly/workforceonline>
- **Supportive Services**- Still available as needed, all requests will be submitted through DocuSign which will be sent by your Specialist to your email. If you have not already utilized you will need to complete all required fields and return to specialist, once received and approved your supportive service will be processed remotely. Contact your Specialist with any supportive service questions.
- **Workshops**- Will reconvene once our office reopens however, we may offer a few workshops on-line TBD.
- **Program Application**- If someone is interested in applying for our program, click the link below to complete the online application. <http://bit.ly/applyworkforce>

ROBERT SUNDANCE FAMILY WELLNESS CENTER

- Wellness will continue to provide "to-go" breakfast and lunch meals for eligible recipients. Breakfast is distributed from 9 to 10 am, and lunch is distributed from 12 to 1 pm. RSFWC are also providing food baskets for Elders who are already currently enrolled in our Senior program.
- RSFWC therapists and counselors are continuing to provide mental health and substance abuse treatment through tele-health phone sessions with their clients. Counselors are also available to conduct phone intakes and referrals for clients in need of Substance Use Disorder treatment. RSFWC's on-call phone numbers are 213-677-9519 and 213-709-2780.

SEVEN GENERATIONS

- Seven Generations is working to adapt services to meet clients' needs- including mental health services utilizing tele-health, phone sessions, and other virtual services. Seven Generations on-call phone number is 213-305-3574.

What additional services or resources, if any, are available to those in need? How can these be accessed?

- UAIIF will continue to post community resources on its webpage and social media sites. UAIIF will regularly check to confirm the resource list is up-to-date and information is correct.

Can community members walk-in to access services or use the community space?

- No. The UAIIF Community Center is closed to the public. All group activities, workshops, and meetings have been canceled until further notice. In-person services such as case management, counseling, and other supportive services are converting to tele-health and virtual services.
- The UAIIF Community Clinic is **not available** for walk-in appointments. Please call during regular business hours (M-F from 8AM-4:30PM) to schedule a clinic appointment.

What are our current office or phone hours?

UAIIF phone hours are from M-F from 8AM-5PM (213) 202-3970. Clients may leave a VM or follow instructions to reach the department or services they are seeking. All VMs left will be screened daily and forwarded to the appropriate department.

UAIIF Community Clinic phone hours are from M-F from 8AM-4:30PM. (213) 202-3970, Ext. 7187

Robert Sundance Family Wellness Center's on-call phone numbers are 213-677-9519 and 213-709-2780.

How are we still supporting Census activities? (if applicable)

UAIIF will continue to support Census activity through sharing community information on its social media as needed.
