The County of Los Angeles recognizes that we occupy land originally and still inhabited and cared for by the Tongva, Tataviam, Serrano, Kizh, and Chumash Peoples. We honor and pay respect to their elders and descendants — past, present, and emerging — as they continue their stewardship of these lands and waters. We acknowledge that settler colonization resulted in land seizure, disease, subjugation, slavery, relocation, broken promises, genocide, and multigenerational trauma. This acknowledgment demonstrates our responsibility and commitment to truth, healing, and reconciliation and to elevating the stories, culture, and community of the original inhabitants of Los Angeles County. We are grateful to have the opportunity to live and work on these ancestral lands. We are dedicated to growing and sustaining relationships with Native peoples and local tribal governments, including (in no particular order) the

Historical Background

On June 25, 1976, Los Angeles County Supervisor Kenneth Hahn and City of Los Angeles Mayor Tom Bradley signed an ordinance establishing the Los Angeles City/County Native American Indian Commission (LANAIC) at the Los Angeles Civic Mall, which is now Grand Park. The establishment of the LANAIC came at the advocacy efforts of the City and County's American Indian and Alaska Native (AIAN) communities. For over 45 years, the LANAIC has uplifted and advocated for the concerns and needs of the AIAN community, the largest of any county in the U.S. The LANAIC is comprised of five members appointed by the LA County Board of Supervisors, five appointed by the Mayor of the City of Los Angeles, and five elected by Los Angeles County's AIAN community through elections held every 4 years by the LANAIC.

In the early 1990s the Board of Supervisors established the LANAIC's Self Governance Board (LANAIC SGB). The LANAIC SGB is an eight member body that advises and supports the Board of Supervisors administering the Community Services Block Grant Native American Set-aside (CSAIBG) program. CSAIBG funding is contracted to subrecipient agencies to provide critical poverty alleviating services to AIAN individuals and families living at or below 200% Federal Poverty Line. In 2021 the CSAIBG dollars were successfully leveraged to secure \$500,000 in annual FY 21-22, FY 22-23 and FY 23-24 County Care First Community Investment funding to address homelessness and housing insecurity experienced by the AIAN population. In addition to administering two programs that provide direct services to LAC residents, the work of the LANAIC has expanded to meet the evolving directives and priorities of the Board of Supervisors and City of LA's Mayor and City Council.

Since 1976 the LANAIC and the LANAIC SGB have worked on a variety of projects and achieved many accomplishments. Below are some of the significant past accomplishments of the two bodies in chronological order:

June 20, 1977 – The LANAIC supported the creation of the Indian Health Services Liaison Officer in the County Department of Health Services.

March 6, 1988 – Steven L. A. Stallings, Chairperson of the LANAIC was quoted in the Los Angeles Times' article, "Back to Their Roots for Retirement: Aging Indians Finding They Can Go Home Again".

1993 – The LANAIC SGB, in partnership with the County Board of Supervisors, became an eligible Community Action Agency (CAA) and began receiving and administering Community Service Block Grant Native American set aside funds (CSAIBG).

April 15, 2002 – The LANAIC supported AB-2115, a bill to ban all Native American mascots from public schools in California.

June 9, 2004 - The LANAIC supported AB-858 California Racial Mascots Act: athletic team names and mascots.

September 30, 2004 – The LANAIC supported SB-18 Traditional tribal cultural places.

2006 – The City of Los Angeles established November as American Indian Heritage Month and began partnering with the LANAIC to develop programming for the month.

2009 to 2021– The LANAIC partnered with San Manuel Band of Mission Indians to provide tickets for Native youth and their families to attend professional sports Native American Heritage Appreciation Nights.

March 2012 – The LANAIC discovered that Native youth were being administered psychotropic medication while in foster care without the knowledge of their tribe or relatives and successfully fought to stop the practice in Los Angeles County. The LANAIC then worked with national Native organizations to have the Psychotropic Medication to American Indian Youth amendment added to the Indian Child Welfare Act.

2012 – 2016 – The LANAIC in partnership with UCLA’s American Indian Studies Center, the California Wellness Foundation, and the American Indian Community Council (AICC) developed a series of policy briefs that analyzed and reported on 2010 US Census data. These policy briefs built upon this past work and included a comparative study of Los Angeles AIAN population trends. All four of the policy briefs addressed the Status of AIAN in Los Angeles, analyzing (1) population changes; (2) economic indicators post-Great Recession; (3) health insurance coverage; and (4) labor. The LANAIC hosted the Urban Indian Roundtable to discuss the findings of the policy briefs.

November 2014 – The LANAIC was heavily involved in the White House Initiative on American Indian and Alaska Native Education (WHIAIANE) – the first-ever school environment listening tour.

2015 – The LANAIC advocated against the sainthood of Junipero Serra.

November 13, 2015 – The City of Los Angeles Arts, Parks, and River Committee passed Indigenous Peoples Day (Motion File No. 15-1343)

November 13, 2015 – The City of Los Angeles Arts, Parks, and River Committee passed the Native American Locations/Report on History and Cultural Impact (Motion File No. 15-1341)

September 2016 – The LANAIC helped organize the community in support of the Los Angeles City Council motion to stand with the Standing Rock Sioux Nation and against the Dakota Access Pipeline project. The LANAIC actively worked with and supported the Oglala and Sicangu Lakota, and other successful efforts to convince then President Obama of the Pipeline’s dangers.

October 5, 2016 – With the strong urging and vocal support of the LANAIC, including testifying at several meetings, the County of Los Angeles Commission on Human Relations voted to replace Columbus Day with Indigenous Peoples Day.

November 2016 - The LANAIC hosted the First Annual LANAIC Pow Wow at Grand Park.

August 30, 2017– With the strong urging and vocal support of the LANAIC, including testifying at several hearings, the Los Angeles City Council passed a motion creating Indigenous Peoples Day as an official City holiday, to be observed on the second Monday of each October.

October 3, 2017 – With the strong urging and vocal support of the LANAIC, including testifying at several hearings, the Los Angeles County Board of Supervisors passed a motion removing Columbus Day as an official County holiday and replacing it with Indigenous Peoples Day.

The LANAIC in partnership with Council Member Mitch O'Farrell planned, coordinated, and executed the inaugural celebration at Grand Park and City Hall.

November 10, 2018 – The Columbus statue located in Grand Park was removed. The removal of the statue was the result of sustained action by the Los Angeles City and County's Native American and Indigenous communities.

As a result of this positive effort, participating organizations expressed an interest to continue to meet in order to work in coordination throughout the duration of the pandemic. As a result, the LANAIC created the ad hoc committee Natives in LA COVID Response Working Group.

March 23, 2020 – The Natives in LA COVID Response Working Group began meeting every other week throughout the pandemic and through a collective effort has supported LAC's AIAN community in many ways, including food and essential items distributions, a video PSA, culturally supportive educational resources, advocacy efforts, two pop-up vaccine events and numerous partnerships and linkages to resources.

Diversity, Equity & Inclusion

As an advisory Commission to the Board of Supervisors, the LANAIC understands that it is charged to ensure equity, diversity and inclusion among the constituents it serves. As such in the Summer of 2019 the LANAIC amended its bylaws to contain more inclusive language, specifically in the Purpose section where it states:

The primary purpose of the Commission is to improve the health and well-being of the Los Angeles AIAN community. It accomplishes its purpose through many strategies, including but not limited to increasing the acquisition of funding resources available to the AIAN community, advocating for policy that will improve the health and well-being of AIANs, and gathering and disseminating information about AIANs in Los Angeles County. In performing these functions, the Commission will represent the interests and concerns of AIAN of all tribal and cultural backgrounds, religious convictions, gender identities, and social circumstances.

Currently, the bylaws do not include explicit language that promotes zero tolerance in relation to racial and ethnic discrimination and/or gender-based differences.

The LANAIC strives to create an environment at all meetings that allows members, public and stakeholders, to share and express openly their ideas, opinions and beliefs. This is done so by the LANAIC opening meetings with an invocation, personal introductions by the Commissioners and with the Chair inviting the public and guests to introduce themselves. This approach creates a welcoming, respectful, and inviting environment.

Dear Council President Krekorian,

I am writing on behalf of Los Angeles' Native American, Alaska Native, and Indigenous Communities to respectfully request that in future celebrations of Indigenous Holidays and Celebrations the City Council honor our Native American community by ensuring that Indigenous-centered ceremonies and recognitions are prioritized at the top of the agenda. As the original stewards of the Land, we deserve to be honored first.

The Commission deeply appreciates Councilmember Hernandez's invitation to our community to gather for a Council Presentation recognizing and honoring Indigenous Peoples Day. However we were deeply disappointed to find out our presentation was ____ on the agenda. As a result, our elders, youth and community members—who gathered on their ancestral lands to be honored — were made to wait through unrelated agenda items before being recognized.

The ordering of events and celebrations holds deep cultural significance for our communities, often reflecting generational protocols of respect and responsibility. Celebrating Indigenous Peoples Day at the top of the agenda would have more appropriately honored our community as the First Peoples of North America and the Lands we now call Los Angeles.

I urge the Council to make this simple yet powerful change in future observances of Indigenous Celebrations and Holidays, including but not limited to Indigenous Peoples Day and Native American Heritage Month, ensuring that our community, particularly our elders, are not asked to wait to be recognized. This respectful scheduling would deepen the City's celebration of Indigenous heritage and affirm its dedication to honoring our communities with the dignity and prominence we deserve.

Thank you for your consideration of this request, and for your ongoing efforts to celebrate and acknowledge the Indigenous Communities of Los Angeles.

Sincerely,

LANAIC

As the original stewards of the Land, we deserve to be honored first.

The Commission deeply appreciates Councilmember Eunisses Hernandez's invitation to our community to gather for a Council Presentation recognizing and honoring Indigenous Peoples Day. However, we were deeply disappointed to find out our presentation was the 6th and final presentation on the agenda. As a result, elders, youth and community members—who gathered on their ancestral lands to be honored—were made to wait before being recognized.

The ordering of events and celebrations holds deep cultural significance for our communities, often reflecting generational protocols of respect and responsibility. Celebrating Indigenous Peoples Day at the top of the agenda would have more appropriately honored our community as the First Peoples of North America and the Lands we now call Los Angeles.

The LANAIC urges you as Council President to make this simple yet powerful change in future observances of Indigenous celebrations and holidays, including but not limited to Indigenous Peoples Day and Native American Heritage Month, as well as to encourage your successor to do the same. This respectful scheduling would deepen the City's celebration of Indigenous heritage and affirm its dedication to honoring our communities with the dignity and prominence we deserve.

Thank you for your consideration of this request, and for your ongoing efforts to celebrate and acknowledge the Indigenous communities of Los Angeles.

Sincerely,

Shawn Imitates Dog, Chairperson
Los Angeles City/County Native American Indian Commission
